

Girl Scouts of Kentucky's Wilderness Road Council  
**Training Waiver Request**

Welcome to Girl Scouts of Kentucky's Wilderness Road Council! We have many volunteers who, like you have come to us from other councils. We know you bring with you a wealth of new ideas. Although we encourage you to participate in our many adult learning opportunities, we do not want to require you to duplicate training that is equivalent to training elsewhere.

Volunteers requesting a training waiver must meet the following requirements:

- ◆ Must have been active at the troop level within the last two years.
- ◆ Training must be comparable to that offered at this council.
- ◆ Waiver request (form below) must be completed and submitted with documentation (copy of past training card, etc.) to the Adult Development Director. If unable to locate your documentation, please note the circumstances at bottom of form.
- ◆ Volunteers will be notified in writing of the results of their waiver request.
